Worth your time.

Wandsworth Chamber of Commerce and Wandsworth Council invite you to attend an 'Apprenticeship' breakfast event on Wednesday 7th March 2018 at the Banham Academy.

The event will focus on the value of apprenticeships and how investing in apprentices can boost your business. Taking place during National Apprenticeship Week and Wandsworth's Enterprise Week, apprenticeships will be the focus for all businesses across all sectors.

Guests will hear from relevant heads of training providers on how apprenticeships are structured, as well as the current funding available for businesses. This event will be particularly helpful to employers who are looking for guidance and support. There will also be an opportunity for questions through a Q&A session.
